

Mission Statement

The American Muscle Car Club of Panama City is dedicated to fostering camaraderie and passion for classic, custom automobiles and trucks to evoke nostalgia. We take pride in showcasing our vehicles at local car shows that benefit charities and civic organizations. The club is committed to giving back to the community by supporting local charities and individuals through funds raised from car shows, sponsorships, registration fees, membership dues, silent auctions, and donations. We also prioritize building and maintaining relationships among our members through regular communication and active participation in monthly general meetings and club events. Additionally, we collaborate with local businesses, maintain an online presence through our website (amccpcf.com) and Facebook page (American Muscle Car Club), and organize various shows and events throughout the season to raise awareness about the club and its active role in the community.
